Freelance product director, Paris. 27 engagements in 3 years for software companies and startups, after 10+ years in-house. I'm at my best when it's about simplifying tools that shouldn't be complicated.

27 engagements in 3 years

Lucca
HR software, 13 modules, 7,800 clients. Design system, product creation, PLG, complex flow simplification. The salary review tool is now the sales demo feature. 200+ days.

Synaxe
Pivoted from a sensor overlay to a management and compliance tool for hazardous materials. Delivered mockups and specs. Six months.

Guinet-Derriaz 1912
Industrial group, 14 quarries, no IS. Built from scratch on €100k: product catalogue, sales and operations tools. One year.

UBAQ
Full platform audit: interviews, problem mapping, mental model diagnosis. Delivered correction mockups and revised roadmap.

Before that

Lucca Employee nº 10, 2011–2014
